1. **Call to Order:** David called the meeting to order at 7:45 a.m.

3. **New Business:**

- A. **State Forest Student Transportation:** Deborah asked the board to consider two agreements: the first was to enter into a contractual agreement to provide a student transportation from students home on State Forest road to Townshend Elementary until the culvert project is complete on the Dam Road. The second was an agreement to give an unsaid family mileage reimbursement for the additional mileage inconvenience caused by the culvert repair on the Dam Road.

A brief discussion was had by board members in regards to setting precedence with this decision. We discussed State Forest road family hardships in general.

By unanimous consent the board agreed to not sign or support such agreements.

Sincerely,

April Chase, Townshend Chair.
